

Thank you for your interest in volunteering for Harvey's Hope Animal

Rescue. Our organization is 100% volunteer-run and does not have a physical facility. We rely solely on foster families in order to save dogs. The foster and adoption processes include: phone interview, vet and personal reference checks, home visit, and sometimes transportation. We need volunteers for every step of the way. If you are willing to be interviewed and trained in our procedures, we encourage you to complete this application. The information on this form will be kept confidential and will help us find the most satisfying and appropriate volunteer opportunity for you.

If you have any questions, please email us at info@harveyshope.org.
